Close Encounters Club

Members, Parents and Families,

I hope you had a great Christmas and are ready to start Close Encounters Club this Winter. We had such a great Close Encounters Club in the Fall, we can hardly wait to get started.

What a wonderful staff of adult leaders and teen leaders that have been working with your children.

Last year the children had a good time at the Snack 'N Yak with lots of great snacks and games, at the Surprise Shoppe and time in God's Word in the Learning Center as they heard all about Moses and children of Israel in "Walk Like an Egyptian". We introduced to the children to the great heritage we

have and how God redeemed his people. It is fun to hear what the children have been learning at Close Encounters Club. We capped off each club with the choruses and songs the children have been singing in ClosEncounterSingers. This year we will build on that winning combination.

We will be starting on January 12th. We would love to have your children join us as we learn about "Close Encounters With The Church". We will learn about the early believers and the adventure being followers of the One who is "the Way, the Truth and the Life". We will learn about the church and will even get a chance to build our own church! Club starts at 4 p.m. on Thursday afternoons and ends at 5:30 p.m.

Cut the permission slip from the bottom of this letter if your child would like a ride from school to Close Encounters Club on Thursdays. All children who would like transportation from school must turn in one of these slips to the school office.

See you at Close Encounters Club on January 12th!
