

# From the Organizers of Creation 2008

## AN INVITATION

You are cordially invited to attend the 30th annual Creation Festival. For nearly three decades the Creation Festival has been a gathering place where believers from all over the world come to be renewed and refreshed, enjoying top Christian recording artists, speakers, and fellowship.

The Creation Festival takes place at the Agape Farm in the beautiful hills of Central Pennsylvania, located halfway between Pittsburgh and Harrisburg, just off exit 180 on the Pennsylvania Turnpike. The farm has become a second home to the tens of thousands who travel to the festival each year. It provides a comfortable and rustic atmosphere that makes camping experiences more than just "another camping trip." Whether you are one of those who attend faithfully each year or this is your first time as a part of our family, the fellowship that comes from being amidst tens of thousands of brothers and sisters in Christ is unparalleled.

Starting at 9 A.M. and ending at 11:30 PM, each day is jam packed with activities for all ages including seminars, climbing walls, music, children's activities, vendors, and more! The laid back atmosphere allows you to choose your own pace.

This year's main stage artists include some of the hottest artists in Christian music today. Featuring a wide variety of musical styles, the main stage at Creation is an excellent opportunity to see the very best Christian music has to offer. Creation also features the FRINGE stage, a place to check out alternative bands as well as up and coming bands. The FRINGE stage is a great place to check out the next big thing in Christian music. It doesn't stop there though! The festival also features CREATION WORSHIP each and every afternoon, where top worship leaders from all over the world lead worship in an intimate and inviting atmosphere. Additionally, late night café's boast singer/songwriters and comedians.

Although there is a wide selection of musical artists to choose from each day, The Creation Festival is about much more than music. Creation is also about honoring the Word of God. Each year many speakers join us at the festival. Their seminars provide a variety of vital and relevant messages that extend to, as well as beyond, the body of Christ.

The Agape Farm is a one of a kind sanctuary in the midst of a heavily forested area. The main stage is located at the base of the mountain where there is a beautiful natural amphitheatre. Many trails lead through the woods to the top of the mountain, which provides a breathtaking panoramic view of the festival grounds. Camping on the grounds is free and, although the sites are fairly primitive, shower houses, toilets, and shuttle buses abound. Most attendees take advantage of the free camping, experiencing firsthand the loving family atmosphere of the festival.

The Creation Festival is all about changing lives and glorifying our Creator. Please join us as we pray that God will touch his people and that lives will be changed, restored, and challenged at this year's festival! It will be the highlight of your summer, maybe your life!
