Friends,

We are looking forward to another great year at Creation. When you get on Creationfest.com you will see that Harry Thomas and crew are doing it up right for the 33RD anniversary of Creation.

To the right you can see a list of those that have let me know that they are coming to this point. If we have your name in error or if you have friends who would like to come, now is the time to let me know (dave@cemlife.com) or 362-4375 or my cell 558-8380). To get the registration forms, simply go to hillumc.org and hit the link for Creation 2011 or stop by the church office.

Here is what you can do right now:

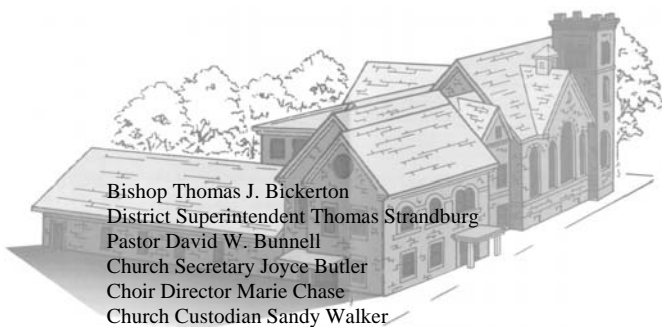

1. On June 22 starting at 9 am we will get the equipment for our trip out of the basement and into the Family Life Center. If you can come any time during the day or evening come and give a hand. We will not only get the equipment out, but we will shock our barrels and hoses, set up our water tower and make sure everything is in working order.
2. We will have an orientation meeting on that evening at 6:30 p.m. We will go over all of your questions and help you to understand what to expect for our big trip.
3. If there are any health or other issues, please let me know in advance, notice the "Authorization For Emergency Medical Treatment" form included in this mailing.
4. When we arrive everyone will need help to unload the truck, set up tents, kitchen, large canopy, water tower, tables as well as the rest of the camp.
5. We will need your help several times during the 5 days to help cook, serve and cleanup. We will have a work detail printed when you arrive.
6. You may also contact me while we are on the road and at Creation on my cell phone (814) 558-8380 and my email is dave@cemlife.com.

Creation 2011, June 29 - July 3, will be here before you know it!
