CREATION 2012!

On June 27–July 1, 2012 the 34th Creation Festival will be held in the Northeast. Hundreds of thousands of people have been spiritually enriched and made life-changing decisions for Christ and we give God all the glory. Many who originally came as a youth or young adult are now returning with their own children and grandchildren! By the grace of God, Creation has been passed from generation to generation as an event that God uses to touch people with His good news!

Each day is jam packed with music, teaching and activities for all ages including the hottest bands performing on our Main and Fringe stages, Creation Worships tent, seminars, climbing walls, kids activities, vendors, and more! The laid back atmosphere allows you to choose your own pace. Although there is a wide selection of musical artists to choose from each day, The Creation Festival is about much more than music. Creation is also about honoring the Word of God. Each year many fantastic speakers join us at the festival. Their seminars provide a variety of vital and relevant messages to challenge and inspire you in your relationship with the Lord.

The Creation Festival is all about changing lives and glorifying our Creator. Our prayer for CREATION '12 is that people will be changed, restored, and challenged to serve the Lord and to make a difference in this world. Plan on joining us!

"It could be the highlight of your summer, maybe your life!"
